

- auto range
- diode test
- Acoustic test
- Data Hold
- display icons
- sleep mode
- battery indicator
- backlight button
- ON / OFF switch

Technical parameters:

- DC voltage: 600V
- accuracy: +/- (1% + 3)
- AC voltage: 600V
- accuracy: +/- (1.2% + 5)
- AC current: 2A / 20A / 200A
- accuracy: +/- (1.5% + 5)
- resistance: 20 kOhm
- Accuracy: +/- (1% + 2)
- input impedance: 10 MOhm
- max. display 1999, automatic polarity display
- maximum pliers opening: 28mm
- power supply 9V bat. (6F22)
- dimensions: 208 x 76 x 30 mm
- weight: 260g
- measuring cables are included in the package
